## GEARMASTERS™

### Fire Station Gear Storage Specialists

New enhancements to a proven system without an increase in price, *what a concept!* Full length compartment dividers are now standard *including* on the ends of racks. *Fire-Kote™* epoxy finish is our standard, not a premium. And best of all, an industry exclusive **15 Year Warranty** against rust and corrosion that beats the competition by 10 years.

Remember **GEARMASTERS™**, the fire service's first choice for turnout gear storage solutions.
